The President's

It has been an eternity since we've had a meeting and I'm looking forward to getting together with everyone this coming Saturday October 15th for our annual October meeting. We have some business to discuss, stories to share and plans to make for the next year! We will be making hamburgers on the grill, please bring a side dish, chips, dessert.

The meeting and lunch will be followed by a few chores in preparation for the Fall Swap meet. Picnic table repairs and paint, install the recently constructed porta potty fence panels, set up swap meet signs.

I'll be there early with donuts and coffee and a fire going to stave off the morning brisk air! Come early, stay late and bring a friend! If you have any questions in advance please give me a call.

Julie Johnson in Poulsbo has a bunch of tractors from her father's estate for sale. 360-204-0101

Try to find the time to go see Julie and make her on offer on one or maybe a few of her tractors. They are reasonably priced and she would love for them to go to someone for parts, use or restore.
