

## ANTIQUE FARM ENGINE AND TRACTOR ASSOCIATION

### PRESIDENT'S MESSAGE

Join us for our next meeting on Sunday June 10<sup>th</sup> at our show grounds in the Branch 245 Building. We will be having a tailgate swap meet, general meeting at 11 and having a BBQ lunch after the meeting. This will be a good opportunity to bring a friend and catch up with old friends. Bring a side dish, salad or dessert. Main course BBQ and beverages will be provided. Thanks to everyone for making our spring swap meet a huge success! Cindy will have a report on plant sales and April will have a report on the swap, T-Shirt sales and memberships. As you attend other shows this year please help where you can and remember to abide by your EDGETA Safety Rules. Our Show Features this year are Case equipment and Marine engines & equipment. I'd like to hear from everyone about what you will be bringing to the show. Early report is that 2 Case built cars are coming, and some folks are digging out of the back corners of their sheds to bring equipment out & show. Frank, Pat and Mike have a beautiful new people mover that has been EDGETA approved to haul folks around the show grounds and to and from the parking area. If you are able to volunteer for an hour or two at our show or come help set up prior to the show it would be appreciated. To make a great show we all need to pitch in. We do have it streamlined but it does still take time to set up the signs, tables, PA system, trash cans and to mark out the vendor spots, parking and display areas.

If you haven't helped with set up before, don't be shy! Please come join us; we survive with volunteers! Don't forget the clean up after the show. One last note, Most of the smaller shows like ours fizzle out on Sunday making a disappointing display for spectators, stay for Sunday displaying if you can. Maybe a 1 day show is in our future ?? April has moved the auction to late Saturday afternoon this year, bring items you would like to sell, 10% sellers fee goes to our club, or items can be donated. No buyers fee. Please no junk. We will have a Saturday night dinner for club members, & exhibitors. See you all soon. Dale

**MEETING MINUTES:** No Minutes to report.

### Letter from Miss Cindy

Highlights for the Plant Sale

I wish to thank Don and Shirley Miller for their help and for the flowers and bamboo stakes for selling. Nick and Judy Huff for the Raspberry starts already in pots for the buyers. The Spadoni Family also donated Rhubarb starts which all sold greatly. My friends Wanda and Paula; Many Thanks for their help with plant donations and along with several other items of interest that sold well. Carl and Jean Neitzel came to help and visit with other club members under our rain tent. Again, many Thanks to all, I had a good plant sale. Sincerely, Cindy Neitzel

### From the Editor

Olive Branches

I'd like to Thank Tom Lundgren for the very nice email invitation he sent to us, Branch #245, to come to their OP&E&TA Show & Pull June 7-8 and set up a booth to promote our club. They have a great location and good people working hard to promote antique tractors.

The tractor pullers that split from our club have an official name; West Coast Pullers and Tractor Assn. and Robert Criswell has asked us to come out and see what they are up to July 14-15<sup>th</sup> at the Grays Harbor Fairgrounds.

We are reminded every day that life is short. Let's join in this year; make some memories and rekindle friendships.

**NOTICE: EDGETA CLUB MEMBERS,  
MAKE SURE YOUR YELLOW CARD IS UP TO DATE.  
I have again requested new yellow membership cards  
from the National Secretary and ten arrived today.**

Our calendar listings are designated as Branch 245 events.  
Be Safe and Follow your EDGETA rules while attending any  
and all events with your machinery.  
Have a great time out there representing  
our old iron hobby!  
EDGETA Rules can be found online at  
<http://edgeta.com/legacy/safety.htm>

# ANTIQUA TRACTOR & ENGINE SHOW & FLEA MARKET

July 21- 22, 2018 Sat-Sun 8am-5pm

## Schurman Iron Ranch

From I-5 Northbound, take exit 11, SR 502  
east to NE 10<sup>th</sup> Ave. North to 229<sup>th</sup> St, left to  
the show

What did the farmer say when he lost his tractor?  
"Where's my tractor?"  
When is a tractor not a tractor?  
When it turns into a barn.  
Friend's girlfriend left him for a tractor salesman.  
She sent him a John Deere letter.

Blacksmith Demonstrations - Kidde train rides - Steam Traction Engines  
Food on the show grounds for purchase

SHOW LOCATION: 23100 NE 10<sup>th</sup> Ave Ridgefield, WA. 98642

Food vendors

FREE Admission and FREE Parking

EDWARDS EDITORIAL “Carolesue, where’s the title for the truck?” “It’s in the safe deposit box. What do you want it for?” “I need to trade it in on a bigger one. Also I need a larger trailer.” “Quit being stupid. We can’t even afford it and you don’t need a bigger truck.” “Yes I do because remember every night you make me get down on my knees and pray, usually for forgiveness, and on the days I don’t you kick me in the ankle and I fall to my knees and at the end I always pray for a Rumely and you always tell me that’s not how it happens. Well, I finally figured out the right way to do it.” “I’m confused. So what’s the right way to do it then?” “Simple. I went out and stole a Rumely and then I just prayed for forgiveness. Also, by the way, Otis and Rufus helped me steal it. I told them I would give them a hundred dollars apiece to help me, except Rufus shouldn’t make that much because he spent most of the time asleep in the truck because you know he has narcolepsy.” “You stupid idiot! You stole an Oil Pull with those other idiots? Wait, I thought those losers got killed in Alaska a while back. I am not giving anyone anything to help you steal a tractor, you idiot.” Carolesue’s face was turning much redder than it usually does. “Yeah, but the guy we took it from had three of them. No one needs three Rumelys. What about my bigger truck to haul around the Rumely? And I don’t have any money to pay Otis and Rufus like I promised.” “Listen, stupid. You will return that stupid tractor and get those flakey idiots to help you and then you will never talk to them again. And also, I’m gonna call the authorities.” With Carolesue wiping her forehead with her sleeve, I muttered, “I could have lived the dream. But no, I married you.” “Yeah, but what about...?” “This is not the dumbest thing you have ever done but it’s up there. You will do what I tell you to do.” I had no idea Carolesue could scream this loud. But the purpose of my telling you this is please please please anyone reading this: do not look at the 5 o’clock news this week because, well, it’s embarrassing.

### **Beware of scams related to the new Medicare card**

You are probably aware that the Centers for Medicare Services (CMS) is sending out new Medicare cards to all Medicare recipients. This will happen between April 2018 and April 2019.

It may not surprise you to know that there are already people using this situation to run scams on Medicare recipients. Medicare beneficiaries should keep the following in mind:

- No action is needed. New Medicare cards will be automatically mailed to the address that CMS has on file. Medicare beneficiaries should not provide any information to anyone claiming it is needed for the new card.
- A temporary card is not needed. Medicare beneficiaries can continue to use their existing card until they receive a new one.
- CMS does not charge for Medicare cards.
- Medicare will not call. Be suspicious of anyone calling about the new Medicare card.
- In general, it is never a good idea to give personal information like Social Security number, Medicare number or credit card number over the phone if you are not 100% certain who you’re talking to and how it will be used.

Learn more about the new Medicare card by visiting the [CMS website](#), or [beginsat50.com](http://beginsat50.com).

If you have questions about your AARP Medicare Supplement plan insured by UnitedHealthcare Insurance Company, please call UnitedHealthcare at 1-800-523-5800.
