The President's Message

Our swap meet in April was a great success and I'd like to thank all of those who helped set up and clean up after the event. Frank Stricklin, George Rhodes, Randy King, Ben Lyon, Larry Schwarz, Larry Swantak; It takes a lot of time and effort to host an event and you guys are really appreciated! With the Covid-19 Rules it takes more effort and we will be needing some extra help to host the show this year. I'd also like to thank the Smith Family, Sylvia Gibbens, Don and Shirley Miller for helping with the gates and registration. I hope I didn't forget anybody! This is a great club.

We will be having a couple of work party dates to get organized for the Show this year. As always we have a list of volunteers that will be needed: Show Manager, Announcer, Garbage Pick up, Bathroom check/cleaner, Gate & Parking Super, Tractor Coordinator, Engine Coordinator, Vendor Coordinator. Please consider helping for a day or the weekend.

The club facebook page is a great resource for inviting and notifying folks of our events so if you have the ability, please check the club events page and share/invite, this will help bring awareness to our club and draw new members, exhibitors and the general public's participation. You should be able to find the club on Facebook " Early Day Gas Engine and Tractor Association Branch 245 ".
