

Exhaust Fumes

Newsletter of Early Day Gas Engine & Tractor Association Branch #245

The President's Message

We had a great meeting at Mike and Judy Barr's place in Chehalis and if you weren't there you missed a great one. Frank has a YouTube video of The Barr's logging camp village up and it's a good one, check it out

We are getting close to show time.. time flies by so quickly. Who's ready? John Deere is our feature and we will be honoring those members who are no longer with us.

April's homestead kitchen is in honor of club member Charles Skillman our friendly "What's It" guy, who passed on the 22nd of June. I encourage you to bring a piece of machinery or an item you have and display it in honor of a friend that is no longer with us and share your story at dinner or on the microphone Saturday.

This is the newsletter I list the help needed at the show. Set up is Tuesday – Thursday and the list isn't too long. Signs out, lime the sections, Parking help, front gate greeters/man the donation bucket, Sign up table, trash, tp patrol, announcing, show director needed! We are facing a strike from the very few people who show up early each year and do it all. The more the merrier and we really are lucky to have it fairly streamlined. Come early, work a little, play hard, work a little more and we will ALL go home happy and eager to come back next year!

THANKS!!

I'll see you next week! Dale Fye (360) 426-9299

Minutes, Meetings & Reports

Club meeting at The Barr's in Chehalis.

Board donated \$200 to the Barr's for the use of their facilities for the meeting. Unanimous vote to update the 4 signs for the club. Need to remind members to pay their dues prior to the show date so they are covered by the national insurance for all of their engine and tractor activities throughout the year. Work parties were discussed for the engine building foundation. Treasurer's report was given. The decided to buy a new coffee pot and other supplies for the meetings and show. Shirley will handle that. Marie joined the meeting and announced the set up of a Scholarship program in honor of her father, John Corbin. Frank will help with a booth at the show to help sell some of John's items and proceeds will go to the fund. Meeting was followed by an introduction to Mike and Judy Barr and a complete tour was given of their property and museum quality logging camp and sawmill buildings.
