

## PRESIDENT'S MESSAGE

June 30 2019

Dale Fye, President

It seems I haven't looked up from the sawmill project in weeks and the hard work is paying off. John "Clear Cut" Neitzel and a team of sawdust thirsty tree fallers knocked down 4 diseased trees on the grounds and tidied up there work so nicely that April almost didn't notice and they stacked the logs up to be milled. We will be able to test run prior to the show. The stage is complete and wait until you see it – put two master craftsmen on one project together and stand back! I'm not certain how to thank everyone individually for their work, ideas and ingenuity but let's do this: I would like an ALL CLUB MEMBERS PHOTO taken Saturday at the show on and in front of the new stage at 1PM. Come join us if you can!

We are all busy and when it gets to crunch time for the show I want to shout "we need volunteers" but I am assured we have sign up forms that will be at the show office and that members are anxious to help. Glad to have you! Cindy, Jennie, Dan and Kemer will be at the show office. Cindy will be there starting Wednesday prior to the show for registration and volunteer sheets will be posted. Set up starts Tuesday – if you can come early to help with lines and signs that would be fantastic.

Don't forget, this is your show- bring your engines, tractors, logging or marine items and join in the fun.

Thanks all and see you soon! Dale Fye

## THE EDGETA REGIONAL SHOW STAFF OPPORTUNITIES JULY 12,13,14 2019

*Pre-Show Set Up Helpers needed Tuesday; Wednesday & Thursday Prior to the Show*

Gate Greeter, Main Gate, North Lot, South Lot	Public Parking Attendant; Main Gate, N. Lot, S. Lot

Parade Announcer	Thank you for your support!

**PLEASE BRING AN ODD ITEM FOR THE "WHAT IS IT" BOOTH**

**Board Meeting Minutes - no board meeting at the Janke gathering.**

**General Meeting Minutes June 15**

Meeting was a very nice gathering at Rod and Theresa Janke's in Hoquiam. We discussed old news; mowing and limbing that should be done on the grounds. Charles volunteered to mow any time. The Port Orchard hot dog guy was brought up and contact will be made to see if he can join us for our show. It was voted to have 3-4 extra bathrooms brought in and have them cleaned often; we also talked about general show information and the printing that needs to be done, it was decided not to purchase more cups, Randy King will look into hats. Shirts, cups and possibly hats will be for sale in the club information / registration booth. Frank Stricklin and John Graham will be bringing people movers and stated that extra help with experienced drivers will be needed. April volunteered to ask the Hadaller family if they would bring tractors and take turns pulling the people movers and others will be

asked as well. A safety person is also needed for loading and unloading of the people movers. A Thank You needs to be sent to the Olympic Peninsula Club for the use of their people mover. Jim and Jennie created a map of the camping area and are filling spots, April and Jim consolidated their lists of campers and planned to get marker stakes in the ground to streamline the camp set up. Creating a club donation committee was discussed and Frank Stricklin volunteered to field those phone calls; we'll meet on this topic again and come up with some guidelines. The club's lease on the Old Iron Showgrounds was also discussed and will be presented to the club for voting. In all, it seems everyone is excited about the show - Rod and Theresa had their corn hole game they made on display and it looks great! It should be a fun addition to the show. Frank and Pat said they will be traveling to Oregon and plan to bring back fresh melons to sell at the show. Emmett wasn't in attendance but his close gal Pat said he's planning to bring his entire collection to show! (Just kidding Emmett!) A very warm Thank You to the The Janke's who provided a great BBQ meal for this meeting .

Board and Planning Meeting Saturday June 14 2019 Jim Beeler presented all kinds of information from the National Show – great ideas for the meeting and information about the layout, the show itself and the atmosphere there. In all he reported a great time and Francette sold some of our cups/tshirts too! Dale's First order of business was the resignation of both Nick and Judy Huff from their board positions due to personal reasons. Dale will appoint new members to fill their positions until the next general election. We discussed advertising sign locations, tables for the 245 building, finishing touches on the stage and traffic parking/ flow plan for the show and the importance of a clean up crew. Our show grounds lease agreement was discussed and Old Iron, Inc. dba Old Iron Park can be home for our club for years to come. Ed Murphy, April Campbell, Dale Fye, Jim Beeler BOD on hand plus club members.

### *In Memory of Rich Burgman*

It is with great sorrow I notify you of the loss of our friend and club member Rich Burgman. Rich engraved wood plaques during our show and proudly displayed his road grader at our shows. Rich served our Country with honor and was a fun loving character with a great sense of humor. He will be missed by many. Our thoughts and prayers go out to his family and friends.

1947 Gibson Model D
